## **Australian Museums and Galleries OnLine (AMOL) - Discovernet**

AMOL's Discovernet provides quick and easy access to web-based education resources produced by Australian Museums and Galleries. These resources offer a wealth of uniquely Australian stories, exhibitions, collections and research activities relevant to all curriculum areas.

<http://amol.org.au/discovernet>

Discovernet: Study Booster

<http://amol.org.au/discovernet/booster/booster.asp>

Study Booster is an easy way to find some of the great resources Australian museums and galleries produce. Try using 'migration' or 'culture' as the keyword for your search. You can also search for resources by subject - try 'Society and the Environment'.

Discovernet: Australian Tales

<http://amol.org.au/discovernet/tales/tales.asp>

Discover fascinating Australian people, places and events in Australian Tales. From beach culture to Antarctica, and from the Ballarat trams to Australia's historic quilts - a great variety of stories are listed by subject area. In addition to a range of in-depth stories, 'Tiny Tales' offers a selection of short subject-based stories with activities and links to useful websites.
